Dear Taoiseach,

I am writing to you in support of the family of the late Captain James Kelly and his family. The Kelly family is carrying on the campaign requested of them by their father in his final moments to completely clear his name.

As I believe you know, Captain Kelly was operating under what he believed were "proper orders." I request that your move to completely clear his name be done without further delay. Your action will help to close a very sad chapter in the conflict that has been referred to as "The Troubles" for more than thirty years and is an important step on the road to total reconciliation.

Thank you for considering my views.

Sincerely,

Robert C. Linnon, Ph.D.
National President
